Silver King SKSR Specifications

EXTERIOR — ***Stainless steel***. Galvanized back. Stainless steel back optional.

INTERIOR — Corrosion-resistant material with coved corners throughout for fast, easy cleaning and sanitation.

INSULATION — ***Environmentally friendly*** foamed-in-place polyurethane insulation for maximum insulation, strength and durability.

DOOR — Polyurethane insulation, extruded aluminum frame, stainless steel exterior door panel, and extra heavy duty magnetic ***"Thermo Rubber"*** door gasket combine to make the toughest, longest lasting door in the industry. Glass door with interior light optional.

SHELF — Heavy gauge wire shelf is ***hand dipped***, not sprayed, providing double thick epoxy coating for superior durability and smooth finish. Adjustable in 1/2" increments on stainless steel pilasters.

REFRIGERATION — CFC-Free, 134a refrigerant, hermetically sealed, ***high efficiency***, self contained refrigeration system features automatic defrost and forced air circulation. Adjustable temperature control and built in temperature indicator standard. Automatic condensate evaporator means no plumbing or floor drains required.

ELECTRICAL — Standard as 115 volt, 60 Hz, single phase operation with 8 foot, 3 wire power cord with NEMA 5-15P plug. Available in 230 volt, 50/60 Hz, single phase.

LISTINGS — Underwriters Laboratories, Inc. (U.S. and Canada) NSF International.

WARRANTY — One year warranty on cabinet and refrigeration system against defective material or faulty workmanship. 90 days labor. Five year warranty on compressor. Full warranty information available upon request.

Specifications subject to change without notice.
